Book Reviews by Billie

Life Wide Open by David Jeremiah

Many of us sense that something vital is missing from our lives. We are easily bogged down with "life" and may wonder how to grab some gusto. The author offers some advice on how we can live a life that exudes and attitude of enthusiasm—a life of passion. He states that passion is the fuel of the heart and is evidence of God at work in our lives. Passion is the inner spark provided by God's Spirit that ignites us to live our God-given purpose. Your boat may have sunk but your spirit can be un-sinkable. If you're excited about the idea of opening up yourself to all that God has in store for you, read Life Wide Open.
