Book Reviews by Billie
Don't Stop Laughing Now
compiled by Ann Spangler

This is the book for you if you want to read stories that will tickle your funny bone and strengthen your faith. Laughter has a way of renewing our souls and restoring our perspective when all else fails. It can be a powerful antidote to the stressed-out lives many of us live. You will read words of wisdom like: If you can't be a good example then you'll just have to be a horrible warning. There are several versions of kids' takes on Bible facts: Did you know that Mary's husband's name was Virg? (the virg-n-Mary) After watching a baptismal service, a 4 year old decided to have her own service. She dunked her doll under the water and recited, "Now I baptize you in the name of the Father and the Son and hold your nose." You will miss a treat if you don't check out Don't Stop Laughing Now.
